	CONCORE
---	---------

The result of extensive research and development based on customer feedback, the CONCORE control system is a latest-generation software, designed and developed in-house, for use with RAIMONDI CRANES S.p.A. a S.U. production cranes.

The control system allows the crane to be used for all its permissible purposes, the main safety systems to be constantly monitored, and the main operating functions of the machine to be parameterised and customised.

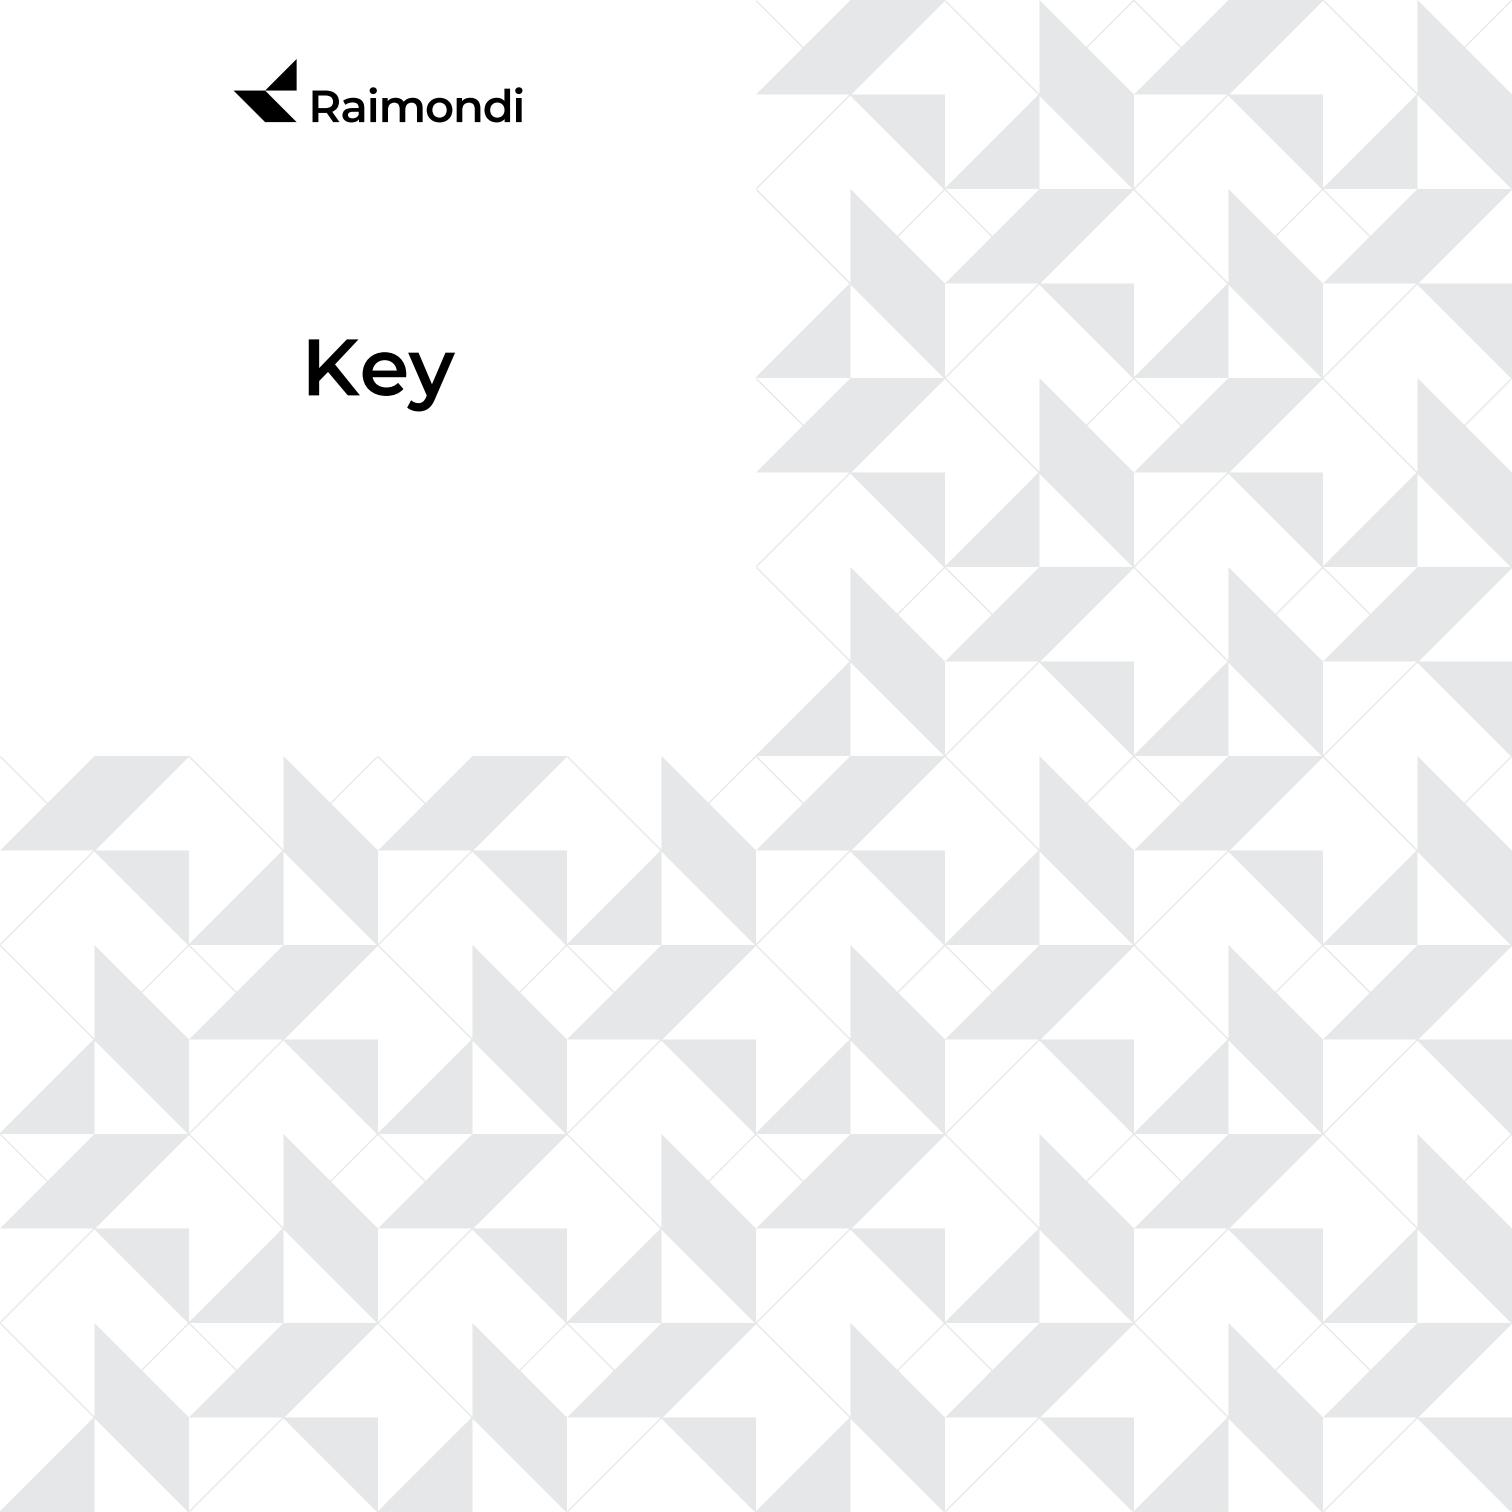

The main features of the human-machine interface are:

Colour touch screen monitor with wide viewing angle LCD
Resistive touch panel
Dedicated memory capacity
Ethernet
The SD / SDHC card slot
USB host port
Remote HMI access
